12/7/18

Ethan,

How's everything going? If I don't get to see you soon I'll go crazy. I miss you so much. Also I hope you don't hate us for yelling so much at you when you were growing up. Ill admit we probably yelled more at you then the other kids, but we were in our late 20's & early 30's when they were growing up. We had you when we were in our 60's, when the level of our paitience was not much, I hope you forgive us, we love you so much. When your not here, part of me seems missing, I guess its because I spent more time with you than with the other kids.

I know being in the Army is tough but it will make a man out of you. We couldn't be prouder of you. If you decide to get out after your tour of duty, you can at least say you endured the Army like a man & served your country.

We will always be proud of you! For the people that didn't think you would graduate school, you can tell them you have 2 diplomas at 16 yeas old, a drivers liscense, an a tour in the Army.

Again we couldn't be prouder and

we let everyone know how proud we are.
I hope your saying your prayers every night + Reading the Bible when you can.
I'll close for now, Remember we love you more than life itself And believe me we couldn't be prouder of you!

With all our love!
